are very much conscious that the present iail system has to be reformed. The present Act was enacted in the last century. The Jail Manual needs reform and wg will very seriously fake up all these things and try to set things as well as we can. So, we do not think that inducting a committee of enquiry under a Judge ^t 'his moment woiid be necessary because as I said this inquiry is only of a limited administrative nature. And other aspects, other ramifications of this by way of collusion, conspiracy, otc. will be taken care of in tha. we registered und which we propose to follow very urgently. Shri Ariin Nehru visited it more than once as was mentioned. He suspended the people on the spot. LG is *a* very alert person anil he also visited it on a number of occasions. But it seems the problems are so vast in Tihar that we will have to take many more serious steps to see that this type of thing does not recur far from recurring, we will see that even minor incidents of contravention about drugs, induction of dnigs there and breaches of the Jail Manual do not take place. Obvioiuly the .Jail Manual has been contravened in many respects. Now did the car go inside? How did the sweets go inside? Under the rules ihey could not have gone. On Sundays you cannot have visitor.?. How did the visitors go inside? All these thinas are of an administrative nature and after the administrative inquiry and investigations, we will pursue the things seriously and see that everyone concerned with this ghastly and dastardly crime will be brought to boot. *(Inlerriiptions).*

SHRI LAL K. ADVANI: Now, you have not said anything as to why the A.I.R. and theDoordarshan did not give out this news. *(Interniplions)*

इंटरपोल को बता सकते हैं, दुनिया को बता सकते हैं लेकिन दिल्ली के नागरिक को सचेत नहीं कर सकते हैं। मान लो गलती हो गयी कह दो फिर से गलती नहीं होगी।

Mr. CHAIRMAN: I will allow only one question to be answered. Why was not this information put on the media, so that the people might have been able to apprehend them immediately?

SHRI RAM NIWAS MIRDHA: Well, Sir, we will look into this.

PAPERS LAID ON THE TABLE *-contd.*
